

Mandarin Oriental Bangkok: Bamboo Bar Hawker

This legendary property, located right on the Chao Phraya River, opened in 1876 with 14 rooms (used mostly by Western traders passing through Siam) and immediately became famous for its sumptuous interiors. The sultry Bamboo Bar—which last year was ranked as “The Best Bar in Thailand” by Asia’s 50 Best Bars—is a true exotic oasis, where the city’s humid temperatures are offset by cool jazz—and even cooler cocktails.
