# Indagare Virtual Souk: Anna Trzebinski's Kenya Edit

---

As the world slowly reopens from the pandemic, many small businesses around the world are still suffering tremendous financial hardship. During this event, you will have the opportunity to support an almost entirely women run, African small business with a 30-year pedigree and experience the Nairobi Studio of designer Anna Trzebinski, shopping her latest, one-of-a-kind creations.

During the virtual trunk show, you can consult this catalogue to review pricing and find information for many of the pieces on display. This catalogue will serve as a guide during the live event illustrating many of the items that you will see listed by category, but – please note – more items from Anna's collection will be made available on the Anna Trzebinski website. Please note that most of the pieces being shown are one-of-a-kind (and some are made-to-order), and inventory is limited.

Anna has offered a 25% discount exclusive to this event. The prices listed in the catalogue have already applied the discount. Shipping takes approximately a week and all items will be sent via FedEx. Shipping is automatically charged at checkout. **Items that contain exotic leather will ship the first week of December**, this is noted beneath these items.

Following the event, should you be interested in purchasing items, you can go directly to Anna's website - [www.annatrzebinski.com](http://www.annatrzebinski.com) - where you will be able to click and purchase items directly. Please note, again, while the items in this catalogue already have the discount applied, you will need to use the code INDAGARE25 at check-out on Anna's website to apply the discount. This code will be available for use from November 4th until November 30th.

All items are non-refundable as they are sale items. If you have any questions, please reach out to Anna's team directly.

Should it be of interest, Anna is also offering 1:1 shopping consultations should you wish to dive deeper on any items on display or on her website. She can assist with made to measure items or she and/or one of her team members can assist in putting together a curated holiday gift selection.

For any additional questions, issues purchasing on the website, image or made to measure requests, or help in curating a holiday gifting selection, please feel free to reach out to Anna Trzebinski directly via email or WhatsApp (simply add her to your phone contacts and download the WhatsApp if you don't already have it already): [anna@annatrzebinski.com](mailto:anna@annatrzebinski.com) or Tel +254746512224.

After the live event we will also provide a recording of the virtual trunk show for those who wish to continue to shop, as well as for those who were not able to attend on the day. Indagare does not assume any liability for the processing, fulfillment or delivery of orders.

Thank you for joining us for this inspiring experience!
