# CAMBODIA TEMPLES & KHMER CULTURE

9 DAYS | 8 NIGHTS

PHNOM PENH | SIEM REAP

# Cambodia Temples & Khmer Culture

9 DAYS | 8 NIGHTS

Experience the best of Cambodia's two most important destinations: the capital of Phnom Penh, in the center of the country, and Angkor Archaeological Park, outside Siem Reap. Those who only visit Siem Reap are missing the full understanding of Cambodia's past and present. In Phnom Penh, guests learn about the country's entire, and extraordinary, history, including the Pol Pot, Khmer Rouge and Vietnam War era—one of the most compelling periods in modern history. The totalitarian leader and his allies conducted a campaign to rid the country of the educated and the elite, a genocide that killed nearly one quarter of the country's population. Today's Cambodia is a country marked by resilience, rebuilding and recovery, with a young population who have come a remarkably long way in a relatively short time. Cambodia's history makes it exceptional not only in Asia but in the world, and this trip opens windows into both its long-ago and more recent periods.

So that guests can plan and undertake travel with the minimum possible financial risks, **Indagare also strongly recommends that guests joining Private Journeys trips purchase travel insurance to cover their trip(s).** Travel insurance may be obtained from any of a number of providers that specialize in such insurance, and as a courtesy to guests, **Indagare can arrange for a quote for coverage with our preferred providers to be prepared and emailed directly to you at your request.**
