by Indagare

Meet Our Team

*As of August 2023, Indagare counts **105 remotely based team members**—the largest our staff has ever been, since our founding in New York in 2007. Though we have different skills and stories, we are all united in our belief that **How You Travel Matters**.*

*The Indagare team is founded on these **core values**:*

DEFAULT TO OPEN

Coming from a place of generosity and inclusiveness makes you receptive to new ways of thinking and seeing the world.

DELIVER MAGIC

Every travel experience should be unforgettable. You can make it happen.

THERE IS ALWAYS A WAY

Be a doer. Resourceful thinking is the solution.

PURSUE THE HORIZON

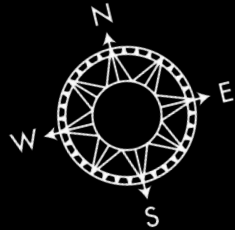

As lifelong learners, we believe that growth comes from being curious and stepping outside your comfort zone.

WE'RE IN IT TOGETHER

As a team, we will go farther than you ever imagined possible on your own.
